

Limited Warranty & Extended Warranty Plan

Limited Warranty Plan:

All JUELL 3D printers carry a one-year limited warranty on parts and manufacturing, ninety (90) days on labor both limited warranties from date of purchase. Those limited warranties apply to defective parts and manufacturing. A printer part's failure or damage caused by misuse, abuse or not adhering to recommended instructions will not be covered by the warranty (e.g., damage to the heater pad due to lack of resin or resin spills within the printer). Park Dental Research Corp reserves the right to inspect a 3D printer that is the subject of a claim to determine the cause of any failure and printer damage. All JUELL 3D printer repairs will be carried out at the discretion of Park Dental Research. Fees for shipping and on-site repairs are not included in the warranty.

JUELL 3D printer bulbs are guaranteed up to 2,000 hours and in event of failure the frame used will be prorated for replacement.

Extended Warranty Plan: \$2,500 Yearly Fee

Park Dental Research Corp offers a comprehensive service and maintenance plan applicable to JUELL 3D printers which includes technical support, extended coverage of repairs and/or replacement parts, labor and software upgrades and maintenance. This extended warranty applies to repairs and/or service at Park Dental's Oklahoma headquarters. It excludes ordinary shipping costs and fees associated with requested on-site service. Part failure or damage to a 3D printer caused by misuse, abuse or not adhering to recommended instructions will not be covered by this warranty (e.g., damage to the JUELL 3D heater pad due to lack of resin or resin spills within the printer). JUELL 3D patrons must elect at time of purchase of a printer whether they desire the limited or extended warranty. Extended warranty is good for twelve (12) months from the date of purchase or fee renewal.

Extended warranty plan can be included in financing option.
